### LOSE WEIGHT WITH LIPOTONIX

Lipotonix injections have been used for over 30 years as an aid in losing weight and weight loss programs. The nutrients in lipotropic shots play an important role in the body's use of fat. It is a 10 week process. This weight loss program is NOT billed on your insurance. Private insurance companies and governmental insurance companies do NOT pay for weight loss programs. Below is a breakdown of charges:

1. First Visit \$85.00
  - a. Initial Evaluation
  - b. Lipotonix injection
  - c. Prescription of Adipex 30 day (if BMI qualifies)
  - d. Additional cost: Labs of CBC, CMP, & TSH (if not done in last 6 months) \$35.00
2. Second Visit \$20.00
  - a. Weigh in and shot only
3. Third Visit \$20.00
  - a. Weigh in and shot only
4. Fourth Visit \$65.00
  - a. Re-Evaluation
  - b. Shot
  - c. New script for 30 day supply (if BMI qualifies)
5. Fifth, Sixth, and Seventh Visit \$20.00 each
  - a. Weigh in and shot only
6. Eighth Visit \$20.00
  - a. Shot only
  - b. Prescription of Adipex (if BMI qualifies)
7. Ninth Visit \$20.00
  - a. Weigh in and shot only
8. Tenth Visit \$65.00
  - a. Re-Evaluation
  - b. Final Shot
  - c. Have to be completely off injections for 6 to 8 weeks

These visits are for Lipotonix injections and evaluation only. The providers will not address any health issues that are not related to the weight loss program nor will there be any refills given on this visit that does not pertain to the program.

Again, this program will not be billed through your insurance it is a private pay program only.

I have read the above description and agree to participate in this program. I realize I can stop this at any time if I am dissatisfied.
